Portfolio: zachgelacio.dev | Github: <https://github.com/nubie69>

OBJECTIVE

Fourth-year Bachelor of Science in Information Technology student at Bukidnon State University with a strong interest in web development and IoT. Experienced in building academic projects involving web applications, databases, and hardware-software integration. A motivated learner who enjoys developing practical solutions, exploring new technologies, and improving technical skills through hands-on projects.

EDUCATION

Bachelor of Science in Information Technology | 2023 - 2027

Bukidnon State University

TECHNICAL SKILLS

Front-End: HTML, CSS, JavaScript, Responsive Web Design

Back-End: Node.js, Express.js, Laravel

Database: MongoDB, CRUD Operations

IoT: Arduino, Sensors, Hardware-Software Integration

Development Tools: XAMPP, Visual Studio Code, Git, GitHub

Other: Prototyping, Documentation, Presentation

PROJECT EXPERIENCE

Main Programmer - Academic Projects | 2023 - 2026

- Developed front-end, back-end, and database components for academic and personal software projects.
- Built responsive web-based applications and systems.
- Worked with IoT devices, sensors, and hardware-software integration.
- Participated in system design, development, testing, and troubleshooting.
- Prepared technical documentation and project presentations.

IT-RELATED ACADEMIC PROJECTS

Academic Projects | 2023 - 2026

- Developed applications using HTML, CSS, JavaScript, Node.js, Express.js, Laravel, and MongoDB.
- Implemented responsive interfaces and CRUD functionality.
- Developed IoT projects involving Arduino and sensors.
- Applied programming and information technology concepts to practical academic projects.

VOLUNTEER EXPERIENCE

Student Volunteer | 2023 - 2025

- Assisted classmates with basic programming and technical concerns.
- Helped with academic projects and documentation.
- Supported classmates during group activities.

STRENGTHS

Quick Learner | Problem Solving | Teamwork | Adaptability | Communication | Willingness to Learn
